Tulsa Ballroom. Hyatt Regency Downtown

Floor Plan Showing Spaces Reserved as of Mar. 1

Exhibit booths inside the Tulsa Ballroom are 10 ft. x 10 ft. (8x10s in the Foyer are reserved for non-profit exhibitors.) Exhibits, posters, and registration are located on the ground level at the entrance to the hotel, one level below the technical sessions.

Exhibit hours are:

- ⇒ Sunday, Oct. 4, 6:00pm-8:00pm (during Icebreaker)
- ⇒ Monday, Oct. 5, 8:30am-6:00 pm (“mini-breaker” rounds out the day)
- ⇒ Tuesday, Oct. 6, 8:30am-1:00pm (“Walk & Talk” lunch in the hall 11:45-1:00)

Limited (and discounted) space is also available for logging trailers and other equipment outside at the entrance to the hotel. Contact us for more information!

How to reserve space:

Complete the accompanying **Application & Contract**, indicating your **first, second and third choices**. An up-to-date floor plan can be found at www.aapgmcs.org/exhibits, or by contacting GEM Global Events Management, bruce@gemworldevents.net.

Copy the form for your records.

Enclose the required deposit or tell us you plan to pay on line. Make checks payable to 2015 AAPG MCSM, and add “Exhibits” to the “notes” line. 50% of the total cost of space requested holds your spot if you apply by June 4, 2015; after July 10, please submit 100% of the cost of your booth space. If you are paying on line with a credit card, waiting for our acknowledgment email; it will contain instructions on how to log in and pay securely.

Return it to the address or email below. We will acknowledge receipt in your booth assignment email.

Space is assigned first-come, first-served. After processing by show management, expect to see your space assignment acknowledgement and invoice for any balance owed, followed mid-summer by a comprehensive online service kit with order forms, deadlines, registration instructions and housing information, and additional policies governing your participation. **See the reverse side of the accompanying Application & Contract for additional regulations.**

Be sure to check www.aapgmcs.org/exhibits for updates to the floor plan and exhibitor list. All exhibitor materials, as well as details about all aspects of the Meeting, are available online.
